WHAT'S HOT & WHAT'S NOT IN KITCHEN DESIGN TRENDS 2010

Presented by Jim Krengle, CMKBD

"What's Hot & What's Not" takes you on a journey of the kitchen today and yesterday, exploring many avenues. Jim will discuss with the audience all of the latest kitchen design trends as well as the changing social trends. Whether you are a designer, distributor, factory rep or remodeler, "What's Hot & What's Not In Kitchen Design Trends 2010" is a visual delight and a program you are sure to want to attend to find out about all the latest ideas in kitchens. He will share the latest in island designs and open plan kitchens. Find out the current trends in cabinets, counters and flooring in this program and find out why the square footage of the kitchen is increasing while the average north American family spends less and less time in meal preparation. This program is fast paced, interactive and entertaining. It will leave you with a new perspective on kitchen design.

Jim Krengle, CMKBD, a 43 year veteran in the industry. He began his career in 1966 at Kitchens by Krengle in St. Paul, Minnesota. Today, that design studio is in its' third generation of ownership. Jim has been an NKBA Design School Instructor since 1987. He served as NKBA National President in 1989-1990. In 2002 Jim was inducted into the Kitchen and Bathroom Industry **HALL of FAME** for his contributions to the industry as well as being granted status as a Certified Master Kitchen and Bath Designer (CMKBD).

Throughout his career he has been honored in the NKBA Design Competition; CKD Excellence in Design Competition and was a winner in the DuPont Corian Design Contest. Jim has authored two books "KITCHENS: Lifestyle & Design" was his first quickly followed by "BATHrooms". Additionally, he has authored a book along with his daughter about marketing your business entitled, "Proven Promotions". Jim has just completed two design CDs., "Designer Bathrooms by Professional Designers" and "The Best of Kitchens by Professional Designers". In 2004 Jim received the "Foundation Award" from **REMODELING Magazine** for lifetime achievement in the kitchen and bath industry and for his accomplishments in the area of education.
